## November 12<sup>th</sup> through November 18<sup>th</sup> is Winter Weather Preparedness Week in Illinois and Indiana

As colder weather spreads across Illinois and Indiana, the National Weather Service, FEMA, IEMA, Indiana Department of Homeland Security, Illinois and Indiana State Police, Illinois and Indiana Departments of Transportation and American Red Cross are encouraging everyone to begin preparing now for the cold and snowy months of winter. Let's do our part to lead us toward a Weather Ready Nation.

The Chicago National Weather Service office will issue daily Public Information Statements (PNS) that will contain the following information:

- Monday: Winter Hazards  
Tuesday: Outdoor Safety  
Wednesday: Winter Preparedness  
Thursday: Winter Fire Safety  
Friday: Winter Weather Travel Safety  
Saturday: Winter Weather Reporting

Information will be on NOAA Weather Radio, NWS websites, and NWS Facebook/Twitter pages.
